

AMENDMENTS TO THE DRAWINGS:

The attached replacement drawings include changes to Figures 1, 4, 6, 7, 8, and 9. Figure 1 has been amended to include the title "prior art". Figure 4 has been amended to include reference numeral "11". Figure 6 has been renumbered as Figures 6A and 6B. Similarly, Figure 7 has been renumbered as Figures 7A and 7B. Original Figure 8 has been deleted. Figure 9 has been renumbered as Figure 8 to reflect the deletion of original Figure 8.

REMARKS

Claims 61 through 90 are presented for examination in the present application upon entry of the instant Preliminary Amendment. Claims 61 through 90 are based on amended claims 1 through 30 of the International Application.

Applicants submit herewith a replacement specification in accordance with the requirements of 37 C.F.R. §1.125. Thus, the replacement specification includes both a marked-up version and a clean version attached hereto.

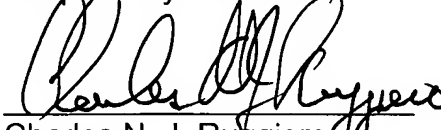

The amendments made to the attached replacement specification include the changes made to the specification of the International Application. In addition, the specification has been amended to include the headings required by MPEP 608.01(a) and to include an appropriate priority claim. Further, the abstract of the disclosure has been amended to conform to U.S. practice. No new matter is added.

In view of the above, it is respectfully submitted that the present application is in condition for examination. Applicants respectfully request favorable consideration and passage of this application to allowance.

If for any reason the Examiner feels that consultation with Applicants' attorney would be helpful in the advancement of the prosecution, the Examiner is invited to call the telephone number below for an interview.
